

MBE TAIWAN 2010

May 24-25, 2010

National Taiwan University, Taipei, Taiwan

Web site: <http://mbe2010.ntu.edu.tw>

Call for Papers

MBE Taiwan 2010 will be held at National Taiwan University, Taipei, Taiwan, on May 24-25, 2010. The conference is intended as a forum for domestic as well as overseas researchers to exchange news and ideas on the latest MBE technology.

Topics

Papers are welcome on a wide variety of topics including, but not limited to, the following:

- Fundamentals of MBE growth
- III-V and elemental semiconductor materials and heterostructures
- II-VI materials and devices
- Quantum dots and quantum wires
- Optoelectronics and high-speed electronics
- Wide bandgap materials
- Nano-photonics and photonic crystal devices
- Spintronic materials and devices

Paper submission

The abstract should be limited to a maximum of two pages including supporting figures. An abstract template containing the detailed format can be downloaded from the conference website. All abstracts should be prepared in PDF format and submitted online through the conference website.

Abstract submission open: March 8th, 2010

Abstract submission deadline: April 12th, 2010

Program Chair: Prof. Hao-Hsiung Lin (林浩雄), National Taiwan University

Secretariat: Mr. Guo-Sheng Tzeng (曾國盛)

E-mail: tgsjames@tl.ntu.edu.tw

Tel: +886-2-2362-8136 ext. 47

Fax: +886-2-2363-2090

Organized by Department of Electrical Engineering, National Taiwan University
